## MR850 Heated Humidifier

Product Code: MR850

### One System for All Patients

The MR850 can be used for the full range of Fisher & Paykel Healthcare therapies across the F&P Respiratory Care Continuum™

- » One button selects optimal temperature and humidity levels for adult, pediatric and neonatal patients
- » Easy set up with simple controls and an easy to read display
- » Clinically based alarm system
- » Advanced algorithms and the ability to sense flow optimises humidification delivery and minimises nuisance alarms
- » Automatic standby during periods of gas flow interruption or water out
